6. **PROPRIETARY RIGHTS AND CONFIDENTIALITY.** (a) BMC, its Affiliates or licensors retain all right, title and interest to the Technology and all related intellectual property and proprietary rights. The Product and all third party software provided with the Product are protected by applicable copyright, trade secret, industrial and other intellectual property laws. User may not remove any product identification, copyright, trademark or other notice from the Product. BMC reserves any rights not expressly granted to User in this Agreement. (b) **"Confidential Information"** means all proprietary or confidential information that is disclosed to User by BMC, and includes, among other things (i) any and all information relating to products or services, including, without limitation, software code, flow charts, techniques, specifications, development and marketing plans, strategies, forecasts, and proposal related documents and responses; (ii) as to BMC, and its licensors, the Product (excluding portions of the Documentation that BMC makes publicly available) and any third party software provided with the Product; and (iii) the terms of this Agreement. User (i) will exercise the same degree of care and protection with respect to the Confidential Information of BMC that it exercises with respect to its own Confidential Information and (ii) will not, either directly or indirectly, disclose, copy, distribute, republish, or allow any third party to have access to any Confidential Information of BMC. Notwithstanding the foregoing, User may disclose BMC's Confidential Information to User's employees and agents who have the need to know provided that such employees and agents have legal obligations of confidentiality substantially the same (and in no case less protective) as the provisions of this Agreement. (c) **Notification Obligation.** If User becomes aware of any unauthorized use or disclosure of BMC's Confidential Information, then User will promptly and fully notify BMC of all facts known to it concerning such unauthorized use or disclosure. In addition, if User or any of its employees or agents are required (by oral questions, interrogatories, requests for information, or documents in legal proceedings, subpoena, civil investigative demand, or other similar process) to disclose any of BMC's Confidential Information, User will not disclose BMC's Confidential Information without providing BMC with commercially reasonable advance prior written notice to allow BMC to seek a protective order or other appropriate remedy or to waive compliance with this provision. In the event there is no signed Data Processing Agreement, BMC and User agree that the Data Processing Agreement applicable on the date the Technology is made available to User, a copy of which may be viewed at <https://www.bmc.com/content/dam/bmc/corporate/bmcdpa.pdf>, applies to Technology under this Agreement.

8. **EXPORT CONTROLS.** User represents and warrants that it: a) will comply with the United States Export Administration Regulations and other U.S. or foreign export regulations; b) no individual accessing or using the Technology is a citizen of or from an embargoed country (currently Iran, Syria, Sudan, Cuba and North Korea); c) is not prohibited from receiving the Technology under such regulations; d) will not acquire the Technology for a person who is restricted under such regulations; e) will not use the Technology in contradiction to such regulations; and f) will not use the Technology for prohibited uses, including but not limited to nuclear, chemical, missile or biological weapons related end uses. Therefore, User agrees to comply with both the U.S. regulations and those E.U. regulations and will not export in violation of the regulations and without all proper licenses. Any failure to comply with these regulations will result in User forfeiting all rights to the Technology.
